Best boutique resort in the best location.

There is no better way of enjoying the unique blend of traditional, bohemian and adventure cultures which is Pai than to reside at Pai RiverCorner Resort.

Our comfortable "home away from home" is but 5 minutes stroll from the crowded markets, restaurants, galleries, live music venues and adventure activity providers. When it all gets too much, walk home and chill-out in our serene garden, on your balcony, by the pool, by the river, in our **Restaurant**, play a game of petanque or watch your favourite satellite sports in our river side **Red Chang Bar**.
